Welcome to Grace Church!

We are delighted that you have joined us today, and hope you feel right at home. You are always welcome to keep small children with you during the service, but we do have staffed children's ministries that you may want to take advantage of:

- A nursery for infants through age 2 is available for the entire service in the children's ministries wing, directly across from the sanctuary entrance.
- Children's church is available for ages 3 through grade 5 on the 2nd, 3rd, and 4th Sundays of the month. Children stay with parents during the first portion of the service and then are released to children's church after the pastoral prayer.
- There is no children's church the 1st Sunday of the month, as children stay in the service for communion.

Please let us know if you have any questions or if there is any way we can serve you. Thank you again for joining us, and may God bless your time here at Grace.
